

| INDEL B P/N | DESCRIPTION                               |
|-------------|---|
| G1090       | Compressor BD1.4F-FSD R134a code 109Z0305 |
| G1706       | Compressor BD1.4F-AM R134a code 109Z0309  |
| G1091       | ECU for BD1.4F-FSD 12-24V code 101N2001   |
| G1838       | ECU for BD1.4F-AM 12-24V code 101N2530    |
| G1109       | PCB Kit                                   |
| G1110       | Compressor Base                           |
| G1264       | Display                                   |
| G1343       | Drawer                                    |
| G1344       | Drawer Rail                               |
| G1345       | Temperature Probe                         |
| G1346       | Probe Protection                          |
| G1347       | Condenser                                 |
| G1348       | Door Gasket                               |
| G1605       | Drawer Door                               |
| T190        | Fan                                       |
| T191        | Filter                                    |
